

Wood Shelves

Sustainably-Made, High-Quality

Rakks Wood Shelves come in Acacia, Oak, Black and White finishes. These sustainable wood shelves are manufactured in a green facility using post-consumer recycled and recovered wood. The high-pressure laminate provides a beautiful finish as well as great dimensional accuracy. They integrate perfectly with all Rakks Shelving Systems.

Finishes

Oak | Acacia | White | Black

Stock sizes

Depths: 10" | 12"

Lengths: 30" | 36" | 48"

Thickness: ¾"

Shipping / Lead times

Shelves only: 2 days (in stock)

Shelves with Rakks supports: 1-4 weeks depending on size/finish.

Consider LTL Shipping for orders containing more than 24 shelves.

As always, Rakks offers complimentary design services and the option to special order products in custom dimensions as well as colors and wood finishes. Please contact us to discuss possibilities:
